NATIONAL PHOTOGRAPHIC INTERPRETATION CENTER

NAME
Usovo Fixed Field MRBM Site No 2
(TDI Name: Bolsuny SSM Fixed Field Position)

COUNTRY GEO COORDINATES
USSR 51-06N 28-27E

COMOR NO
None

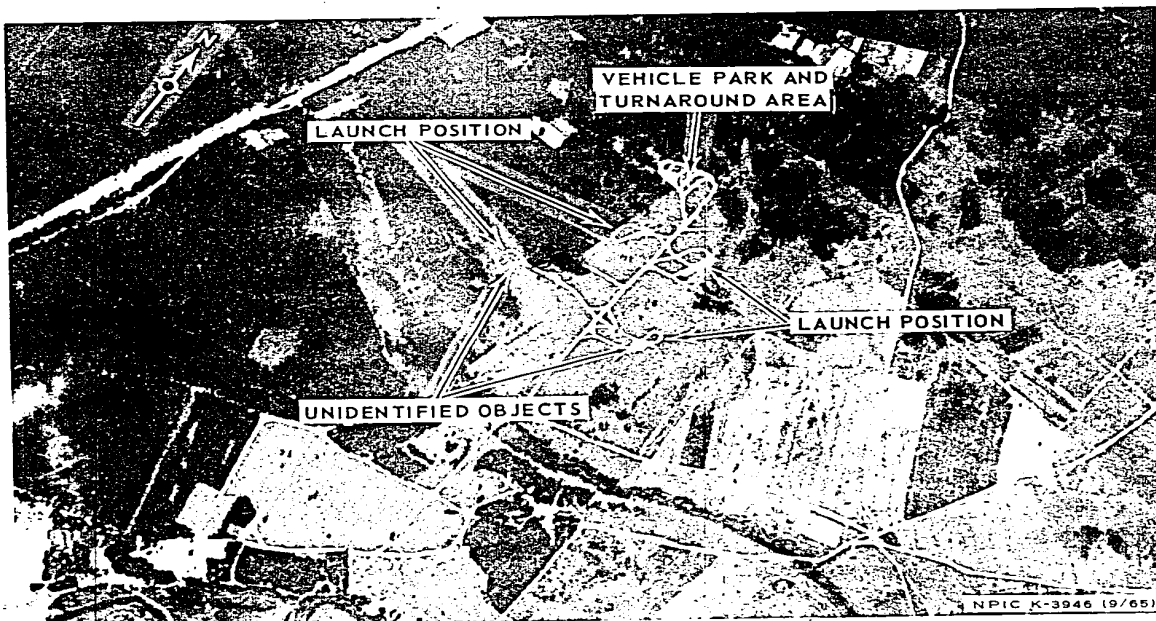

25X1D

Location: 2.0 nm north of Bolsuny

Type: Fixed Field MRBM Site Negation Date:

Stage of Construction: Complete Date First Seen:

Site consists of 4 elongated launch positions, each on a separate loop road which branches off the main road within the position. An associated clearing is situated on a ladder-like series of loop roads. A small unidentified object is located on each of 2 of the 4 launch positions. The azimuth of the launch positions closely approximates that of Usovo MRBM Launch Site No 3.
